# Roster for volunteers

The easiest way to schedule shifts

Sign up your organisation

Add people

Create groups

Create shifts

You're done

Send out a **commitment request** when new shifts become available

The #1 tool for volunteer management

Send out a commitment request to your group(s).

Volunteers receive a personalized link to log in via email; no need to remember another password

Volunteers can indicate their availability and register for shifts via the platform

Maintain oversight of your roster and the shifts yet to be filled

We don't advertise and we always respect your privacy.

Statistics available

View up-to-date information on all your volunteers

Automatic Reminders

Available in list or calendar view

### ShiftPlanner is used by:

- Sport clubs
- Museums
- Care homes
- Neighbourhood Watch
- Churches
- And many more...

Volunteers can exchange shifts and arrange cover as needed.

Your go-to solution for volunteer management!

Works on smartphone, tablet and laptop
